Adze Eye Nail Hammers

ENDURANCE BRAND

Tricolour Handles

Heads drop forged in precision dies from our special analysis steel. Scientifically shaped for perfect balance and tempered by electrically controlled heat-treating equipment. Handles are extra quality selected second-growth hickory, thoroughly seasoned and perfectly shaped in our own plant. Pre-shrunk to exclude all moisture, then coated with lacquer and Grady wedged to prevent loose heads. Distinctively styled from highly polished heads to beautifully finished tricoloured handles.
